RENEWABLE RESOURCES

# ENVIRONMENTAL MANAGEMENT WITH CERTIFICATIONS

Through the use of renewable resources in the development of our products, we constantly review our manufacturing process

HOSTI is a FSC® - and Nordic Swan Ecolabel certified company in the production chain.

Das Zeichen für verantwortungsvolle  
Waldwirtschaft

2047 0024

The “**Forest Stewardship Council**” (FSC®) has set out strict criteria that serve to ensure that uncontrolled deforestation, violations of human rights and pollution of the environment are avoided.

The “**Nordic Swan Ecolabel**” is the governmental sustainability label of the Nordic countries. The focus of the Nordic Swan Ecolabel is on environmental protection, as well as the quality and safety of the products.

CARBON NEUTRAL SITE

# HOSTI - CARBON NEUTRAL SITE IN PFEDELBACH

Together with ClimatePartner we have measured the carbon emissions of our company and calculated our Corporate Carbon Footprint (CCF). Where possible, we avoid and reduce our carbon emissions for example through green power, green gas and our own photovoltaic system on the house roof.

**Carbon neutral Site**
